

LIW | Leadership, not just leaders

## Himaya Cenabre

Project Administrator

himaya.cenabre@liw3.com

Himaya is LIW's project administrator that is based in Cebu, Philippines. As a professional, she has accumulated around 15 years of work experience in accounting, finance, and project implementation.

As an accountant, she was first exposed to the local utilities sector – power distribution, in roles involving Accounts Payable, forecasting, budgeting, regulatory compliance and was assigned to several special projects. She has also experience with multinational companies – as senior tradespend administrator for Wipro, and as an Oracle systems specialist for Dover Business Services. She has been with LIW since December 2020 and has worked with several project managers in delivering leadership programs for LIW's clients.

In her spare time, she enjoys watching movies and reading. To unwind, she prefers to go to the beach or to travel away from the city – either alone or with family and friends.
