

LIW | Leadership, not just leaders

Kerry Gibbons

Project Manager

kerry.gibbons@liw3.com

Kerry supports LIW teams and their clients in the EMEAR region and globally, providing expert project management for a variety of leadership and internal programmes. She has a proven background in event management with the ability to manage multiple projects and events simultaneously. Kerry's finely-honed attention to detail enables her to support all processes and procedures in a timely and efficient manner.

For the last 8 years, Kerry has led the planning and development of programmes, agendas, budgets, and services according to client requirements at LIW.

Prior to joining, she worked with major international companies including Johnson & Johnson, organising and co-ordinating major international, European and UK conferences and exhibitions.

Outside of work, Kerry is a busy mum of 2 daughters, a lover of dogs and horses and a keen piano player.
