

LIW | Leadership, not just leaders

## Sharon Lindner

Director, Chief Operating Officer

sharon.lindner@liw3.com

Sharon has been working with LIW for over 16 years.

Leadership, underpinned by her strong customer focus, allows her to create synergy and alignment across people. She is passionate about the impact and quality LIW leadership delivers to organisations, teams and individuals.

Sharon draws from her strong interpersonal skills and experience in both her strategic and operational role with the LIW team to develop and deliver high impact and low maintenance experiences to every team LIW has the opportunity to work with.

With more than 20 years' experience across industries as diverse as construction, retail and event management, she brings organisational flair, creativity and a unique customer voice to her role. During her 16 years at LIW, Sharon has supported clients across the globe in many sectors, including Cisco, Oracle, Telstra, Sanofi, Macquarie Group, Telstra Health, CSIRO, Novartis and Salesforce.
